Kokrajhar Tourism

Dear Reader,

Kokrajhar is fast emerging as a hub for sports and athletic excellence, with a strong focus on nurturing local talent across various disciplines. The Sports Authority of India complex stands as a beacon of this growth, providing world-class facilities to athletes. With the much-anticipated NCC Marathon on the horizon, the district is gearing up to showcase its vibrant sporting community and inspire a new generation of runners and fitness enthusiasts.

GAMES AND SPORTS IN KOKRAJHAR

The scenic city of Kokrajhar is a paradise for sports enthusiasts, offering a unique blend of traditional and modern games that showcase the region's rich heritage. Football fever runs high in Kokrajhar with the city proudly hosting prestigious tournaments like the Durand Cup and Santosh Trophy at the state-of-the-art SAI Complex, where legendary teams and players have clashed in countless thrilling matches. Local clubs like Bodoland FC have made a mark in national football, fueling the city's enthusiasm for sports.

Beyond football, Kokrajhar offers an array of exciting activities catering to diverse interests. Adventure seekers can trek through lush forests, explore paragliding or cycle along scenic trails. Archery enthusiasts can witness archery competitions and even test their skills at the Bodoland Archery Academy. Combat sports are also thriving, with boxing, taekwondo, and weightlifting producing talented athletes who have excelled in national and international competitions.
